Portfolio

Professional Summary

Computer Science and Engineering undergraduate with a CGPA of **8.10/10.0** and hands-on experience in full-stack web development through academic projects and internship training. Developed a role-based eSports Tournament Management System using React.js, Node.js, Express.js, and SQLite. Seeking a **Full Stack Developer Internship** to apply my skills, gain practical industry experience, and grow as a software engineer.

Education

Coimbatore Institute of Engineering and Technology

Bachelor of Engineering – Computer Science and Engineering

2023–2027

CGPA: **8.10/10.0**

Velammal Bodhi Campus, Thanjavur (CBSE)

Class XII Score: 64%

2023

Velammal Bodhi Campus, Thanjavur (CBSE)

Class X Score: 85%

2021

Internship

Full Stack Development Intern – Logirtha Technologies

15 Days (Online)

- Completed internship training covering front-end and back-end web development through guided assignments.
- Built responsive web pages using HTML, CSS, JavaScript, PHP, MySQL, Node.js and XAMPP.
- Gained practical exposure to REST APIs, CRUD operations, authentication concepts and client-server architecture.

Project

ArenaHub – Role-Based eSports Tournament Management System

- Developed a full-stack web application for managing BGMI tournaments with separate Organizer and Player modules.
- Implemented JWT authentication, email OTP verification and secure password encryption using bcryptjs.
- Built tournament management, player registration, application approval and profile management modules.
- Developed REST APIs using Node.js, Express.js and SQLite with a responsive frontend using React.js and Vite.
- **Tech Stack:** React.js, Node.js, Express.js, SQLite, JWT, JavaScript, Git

Technical Skills

Programming: C, Python, JavaScript

Web: HTML5, CSS3, React.js, Node.js, Express.js, PHP

Database: SQLite, MySQL

Tools: Git, GitHub, VS Code, Postman, XAMPP

Concepts: REST APIs, JWT Authentication, CRUD Operations, DOM Manipulation

Certifications

- NPTEL – Human Computer Interaction (Elite – 86%)
- NVIDIA – Fundamentals of Deep Learning
- Full Stack Development Internship – Logirtha Technologies
- Software Development Lifecycle Fundamentals – Great Learning
